RELAX – AND LET THE GROHE INSTALLER DO THE WORK.

It's a simple matter to install GROHE Sense devices all round your house.

However we recommend that you use the services of a professional installer to install GROHE Sense Guard.

For the installer, the job is easy and fast: in about an hour, your home is guarded from pipe breaks and leaks.

To find your nearest GROHE installer, go to www.find-installer.grohe.com
